

UNO Innovations, Inc. (UNO) LIMITED WARRANTY

UNO INNOVATIONS INC. ("UNO") warrants its products to be free of defects in material and workmanship for the product's Warranty Period. The Warranty Period commences on the original purchase date of the product(s) and are covered by a limited product warranty:

- Ten (10) years for metal video monitor mounts; all racks and non-electrical rack accessories
- Five (5) years for all wood-based products (MDF)

Should a part on your UNO product fail, please visit our website at www.UNOinnovations.com/Support/Warranty to make a warranty claim. This limited Warranty does not cover the costs of removing and replacing defective parts for the UNO product.

This Limited Warranty extends only to the original purchaser of the product and is automatically void if the UNO product is modified in any way, improperly installed, taxed beyond its stated weight capacity or otherwise misused or abused.

This Warranty Does Not Cover Damage Caused By:

- A) Service or repairs by the customer or a person who is not authorized for such service or repairs by UNO,
- B) the failure to utilize proper packing when returning the product,
- C) incorrect installation or the failure to follow UNO's instructions or warnings when installing, using or storing the product, or
- D) misuse or accident, in transit or otherwise, including in cases of third-party actions and force majeure.

This warranty also does not cover corrosion or rust resulting from damaged, scratched, chipped paint or outer surfaces. In no event shall UNO be liable for incidental or consequential damages or damages arising from the theft of any product, whether or not secured by a security device which may be included with the UNO product. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation may or may not apply to you.

All UNO products are intended for indoor use only and any outdoor use voids this Limited Warranty. The Limited Warranty for wall and ceiling mounts is void if the mount is moved from its initial installation. To the maximum extent permitted by applicable law, UNO claims any other warranties, expressed or implied, including warranties of fitness for a particular purpose and warranties of merchandise. UNO will not be liable for any damages whatsoever arising out of the use or inability to use its products, even if UNO has been advised of the possibility of such damages. To the maximum extent permitted by applicable law, UNO disclaims any responsibility for incidental or consequential damages.

This warranty is in lieu of all other warranties, expressed or implied, and is the sole remedy with respect to product defects. No dealer, distributor, installer or other person is authorized to modify or extend this Limited Warranty or impose any obligations or connection with the sale of any UNO product.

This limited warranty gives specific legal rights and you may also have other rights which carry from state to state.
